TRIMMING MATERIAL (YARDAGE)

When ordering Trim Material for parts NOT COVERED BY ASSEMBLY NUMBERS, please specify the Yardage required, giving the BODY, STYLE and TRIM NUMBERS. These numbers will be found stamped on the plate attached to the left front side of dash under the hood. Avoid delay by having this information on every trim order.

GENUINE LEATHER. SEE NOTE GROUP 15.504.

IMITATION LEATHER is sold by the linear yard, 50" to 54" wide.

PLUSH and CLOTH are sold by the linear yard, 54" to 60" wide.

"SOLD BY THE LINEAR YARD" means that the material is priced by the running yard of whatever the standard width happens to be, which is the customary practice of handling any yardage material. However, any given number of inches of length may be ordered, but it will be cut full width of the bolt and billed at the price per yard or fraction thereof.
