POLISHING (NENETTE) BRUSH

PART No. 5787700

GM "Nenette" brush absorbs dust and dirt as it polishes your car! Now — GM "Nenette" saves you time, money and constant car washing — gives you a cleaned and polished car in minutes! The secret is in GM "Nenetol", a special liquid impregnated in the fringes of "Nenette". All dirt and dust is absorbed, leaving a clean, polished, scratch-free surface after a few gentle strokes!

GM "Nenetol" dust-absorbing solution comes in handy plastic containers.

GM "Nenetol"
Part No. 5787701

Your GM "Nenette" Brush will last for years! GM "Nenette" is long lasting, protected when not in use by its metal container. Wash your GM "Nenette" after 6-9 months' car use. Then soak it in GM "Nenetol" according to directions on the package — and it's as good as new! When used for household dusting, GM "Nenette" need not be washed for at least a year.
